

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact Member Services at (855)-428-7284 or visit [www.curative.com](http://www.curative.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p><b>With Baseline Completion:</b>                      \$0 in-network.                      \$10,000 individual/ \$20,000 family <a href="#">out-of-network</a></p> <p><b>Without Baseline Completion:</b>                      \$5,000 individual/\$10,000 family in-network. \$10,000 individual/\$20,000 family <a href="#">out-of-network</a></p>	<p>Generally, you must pay all the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p> <p>Curative requires the completion of a Baseline Visit within 120 days of your effective date in the Curative Plan, to ensure you will pay the lowest cost (typically \$0) for your <a href="#">copays</a>, <a href="#">deductible</a>, and <a href="#">coinsurance</a>. The Baseline Visit is a meeting with a Curative Clinician to onboard you to the health plan and understand your health goals. The Baseline visit must be scheduled and completed within 120 calendar days of your effective date in the Curative Plan. In your first year, for the first 120 calendar days your costs will automatically align with the amounts noted for Baseline Completion, if you use a <a href="#">network provider</a>. Reference your benefit booklet for Baseline Visit requirements at renewal.</p> <p>If you do not complete the Baseline Visit within 120 days, the <a href="#">copays</a>, <a href="#">deductibles</a>, and <a href="#">coinsurance</a> shown in this and the following tables for “Without Baseline Completion” will apply.</p> <p>You are not required to answer health questions regarding disability or genetic information or complete medical examinations during the Baseline Visit in order to qualify as completed.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. <a href="#">Preventive care</a> and immunizations for children under the age of 6 are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>

Important Questions	Answers	Why This Matters:
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>No</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p><b>With Baseline Completion:</b>            For <a href="#">network providers</a> \$0 individual/ \$0 family;            Non-Preferred Brand Name &amp; Generic drugs and Non-preferred Specialty Drugs \$7,500/ Individual &amp; 15,000 family.            For <a href="#">out-of-network</a> providers \$15,000 individual / \$30,000 family.  <b>Without Baseline Completion:</b>            For <a href="#">network providers</a> \$7,500 individual/ \$15,000 family; for <a href="#">out-of-network</a> providers \$15,000 individual/ \$30,000 family.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><a href="#">Premiums</a>, <a href="#">balance-billing</a> charges, health care this <a href="#">plan</a> doesn't cover</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p>Will you pay less if you use a <a href="#">network provider</a>?</p>	<p>Yes. See <a href="http://www.curative.com">www.curative.com</a> or call (855)428-7284 for a list of <a href="#">network providers</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</p>	<p>No</p>	<p>You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
